VOTES MONEY FOR BANKERS' SESSION SAYS UNDERTAKER IS HOLDING BODY

Advertising Committee Makes Provision for Banking Institute and Railway Men.

The Council Committee on Advertising voted an appropriation of \$1,500 last night to the local chapter American Institute of Banking for the entertainment of the national convention of bankers, which meets in Richmond September 17-20. According to the statements of George H. Keesee, president of the Richmond Chapter, and Chester Jones, between 700 and 800 delegates are expected to attend. The Advertising Committee sent a representative from the Council to Salt Lake City last fall to give the bankers an official invitation on behalf of Richmond to hold their next national session here. The institute will be in session four days at the Jefferson Hotel.

At the request of W. T. Daibney, business manager of the Chamber of Commerce, and Hugh Timmins, foreman of the American Locomotive Works, the committee voted an appropriation of \$100 to assist in the entertainment of the annual convention of the International Master Blacksmiths Association, which will convene in Richmond for a four-days meeting on August 19. This is primarily an organization of foremen of railway shops, and draws the convention of the Railway Supply Association. About 100 are expected to attend, the supply men setting up a large exhibit in connection with the convention. This is the first time the association has ever met south of Washington.

VETERANS READY FOR GETTYSBURG

General Brown Orders Richmond Delegation to Entrain Sunday Morning.

ABOUT 100 WILL MAKE TRIP

Detail Plans Announced for Encampment—Captain Stratton in Charge of Band.

Plans for the departure of Richmond Confederate veterans for the great joint encampment of United Confederate Veterans and the Grand Army of the Republic on the field of Gettysburg, June 30-July 5, were announced yesterday by General J. Thompson Brown, commander of the First Brigade, Virginia Division, United Confederate Veterans. The Richmond delegation, which is expected to number nearly 100, will entrain for Gettysburg Sunday morning at 7:30 o'clock at the Byrd Street Station on a special over the Richmond, Fredericksburg and Potomac Railroad. The train will arrive at its destination about 10:30 in the afternoon, and the veterans on board will immediately pitch camp with the rest of the Virginia Division.

The orders promulgated by General Brown reads:

General Orders, No. 14:

1.—The First Brigade of the Virginia Division, United Confederate Veterans, will encamp on the battlefield of Gettysburg, from June 30 to July 5, as guests of the State of Pennsylvania, for the purpose of participating in the ceremonies of the great reunion of veterans of the Civil War, North, South, East and West.

2.—All camps of the First Brigade will arrange to entrain in sufficient time to arrive at Gettysburg Sunday afternoon, and not later than Monday, June 30, thus allowing sufficient time to arrange their camp messes before Tuesday, the first day of the celebration.

3.—The First Brigade staff will report for duty at Gettysburg at 12 o'clock noon, Monday, June 30, in full dress. Full dress will be used on parades.

4.—The Richmond veterans of the First Brigade will en train for Gettysburg at Byrd Street Station, R. F. & P. Railroad, Sunday morning, June 29, at 7:30 o'clock. The train will move out at 8 o'clock, arriving at Gettysburg about 10:30 o'clock. The band which each unit must provide their own food while en route.

5.—The band will report for orders to Captain J. Taylor Stratton at Byrd Street Station, R. F. & P. Railroad, at 7:30 A. M.

6.—Meals, messkits, waterbuckets and lights will be furnished free in camp, towels, soap and other toilet articles will be provided and carried by each veteran.

7.—The Richmond veterans of the First Brigade will en train for Gettysburg at Byrd Street Station, R. F. & P. Railroad, Sunday morning, June 29, at 7:30 o'clock. The train will move out at 8 o'clock, arriving at Gettysburg about 10:30 o'clock. The band which each unit must provide their own food while en route.

8.—The commanding general speaks for every veteran attending, as guest of Pennsylvania, this grand reunion and peace jubilee that deserves a matter for civil action. Better get orders from higher up before you do anything.

9.—It appears that James Clarke swore out the warrant against Robert Williams, the undertaker, according to refusing to deliver the body of his grandmother. Williams said that a granddaughter had instructed him to get the body and entomb it. He refused to deliver it until he was paid \$15 for moving it from the City Home and \$10 for embalming it. Clark refused to pay, and Williams refused to give up the body. Clark then sought a magistrate and caused the warrant for Williams' arrest to be issued.

"This is not a case for criminal action and that warrant should never have been issued," said Shepard. Further action will likely be taken to day.
